Price List of Young

Ornamental Trees and Shrubs

For Planting in Nursery Rows

THOMAS B. MEEHAN CO.

Dresher, Penna.

We are fortunate in being able to offer a much more varied list of lining out stock this year than for several years past. The quantities however are not large and as requests for this list have been so numerous we are led to believe that the available supply is very limited and there will be a big demand. Certain varieties sell out quickly. Place your order now. We will reserve your stock for you and ship by Freight or Express when and as directed.

Orders booked in the rotation received.
